4<sup>th</sup> April 2016

Dear Parents/Carers

Welcome back – we hope you had a good Easter break

The School has recently signed up to **Parentinfo** which is a collaboration between Parent Zone (an organisation which is working to make the internet safe for parents and children) and CEOP (Child Exploitation and Online Protection Centre). There is now a live feed to their website which can be accessed through the School Website. We would recommend that you take time to look around as there is a lot of useful information available.

We recently came across a useful article on how to adjust the privacy settings on various social media apps that young adults use, including ooVoo, Facebook, Whatsapp, Minecraft, Snapchat etc.

We would recommend that you look at the following link and check the privacy settings on your child's computers, tablets and phones:

<http://parentinfo.org/article/setting-safety-and-privacy-settings-for-social-media-apps>

Kind regards

Yours sincerely,

**Sarah Gallagher**  
**School Principal**
