Serving the needs of children with autism and related communication disorders in Warwickshire & the West Midlands

21st June 2018

Dear Parent/Carer

Asthma/Salbutamol Inhalers

I am just writing to inform you that the School has purchased kits containing Salbutamol Inhalers for emergency use at the sites at School (Diddington Hall) and College (Birmingham Road).

Guidance issued by the Department for Education states that these kits can only be used if parental consent has been obtained in advance.

If your child has asthma, or has to use Salbutamol for any other purposes and as prescribed by a doctor, can you please complete and return the attached form.

Any questions, please let me know

Kind regards

Yours sincerely

Krystina Bones (School Nurse)
