Dear Sarah Gallagher

Final inspection report

Following the recent inspection of your school, I am pleased to enclose the inspection report. This is the final version of the report. It will be published within five working days from the date of this letter on the Ofsted website at <http://reports.ofsted.gov.uk/>.

Paragraph 32(1)(d) of The Education (Independent School Standards) Regulations 2014, requires the proprietor of the school to ensure that a copy of the inspection report is provided to the parents of each registered pupil. Please ensure that the parents of each registered pupil are provided with a copy of the report within five working days. Paragraph 32(1)(d) also requires the proprietor to ensure that a copy of the report is published and maintained on the school's internet website. The independent school standards are available here: www.legislation.gov.uk/ukxi/2014/3283/contents/made.

Her Majesty's Chief Inspector of Education, Children's Services and Skills expects schools to ensure that all pupils are made aware of the findings of the inspection. The proprietor may also wish to make any local authorities that have placed pupils in the school aware of the report.

If you experience any difficulties accessing the report from the Ofsted website, please contact the Ofsted helpline on 0300 123 4234.

Post-inspection survey

If you have not done so already, we would like to invite you to complete our online post-inspection survey, which is available on the provider portal. The online survey asks for your views on the inspection process, including the impact that the inspection is likely to have in bringing about improvement. Ofsted values all survey responses: we use the outcomes to help keep us informed about the quality and

impact of inspections, and to help us in reviewing and improving the inspection process.

Thank you for making our inspectors welcome during the inspection.

Yours sincerely

Annie Cole
Inspection Support Administrator
