

In order to carry out the work as efficiently and safely as possible, we will need to put in place some temporary traffic restrictions. We recognise that this is a busy roundabout, so will be monitoring the traffic flows and completing all full closures at night with additional lane closures at off peak times.

Traffic restrictions

Traffic Management will consist of

- A45 eastbound off slip carriageway full night time closure 4th – 8th April.
- A45 westbound off slip carriageway full night time closure 8th- 11th April and 13th-16th April.
- Gyrotory closures either east or west side only 12th-18th April.
- Kenelworth Road northbound closure 18th April.
- Northbound A452 north of Stonebridge roundabout 25th April – 1st May.
- A446/A452 southbound closure 3rd May – 9th May
A45 eastbound or westbound (direction flexible) from Stonebridge roundabout to the M42 J6 interchange.

All closures will occur in phases and will not run together. Closure dates are subject to change; however the actual dates of the closures will be clearly signposted in advance. The full closures will be in place between 8pm and 6am.
