Introduction

The Island Project is committed to providing a safe and secure environment for children, staff and visitors and promoting a climate where children and adults will feel confident about sharing any concerns that they may have about their own safety or the well-being of others.

Safeguarding is keeping all children safe and is the overarching principle. Child Protection is what we do for children who are at risk of, or have been, significantly harmed. In recognition of our statutory responsibilities, we have ensured that appropriate arrangements are in place to safeguard and promote the welfare of the children (Sections 175 and 157 of the Education Act 2002).

The use of the word “School” includes the School site at Diddington Hall and the College site at Birmingham Road.
